

Hello Hudson Country Montessori parents,

Welcome to the 2026 Summer Camp Season! At Lunch with Lou we have been hard at work striving to make your lunch ordering procedure as easy and user-friendly as possible. In that spirit, we have partnered with an ordering company called **FoodDays**. Lunch with Lou is still your lunch provider, but you will place your online orders through FoodDays. If you want to order lunch, you will have to create a FoodDays account. (If you already use our services at Hudson Country during the school year or have an account from last camp season, you do not need to make a separate or new account for this camp season.)

Below are the steps for creating a new account:

STEPS TO SIGN UP:

1. Go to www.lunchwithlou.com
2. Click "Login/New Account," then click "Sign Up"
3. Add your email, password, first & last name, phone number and home zip code. Click "Sign Up"
4. Under "Add New," type in "Lunch with Lou." You can also use the kitchen zip code, 10543, to bring up Lunch with Lou. Click "Next."
5. Under "Teacher/Homeroom," select your child's school and grade.
6. Enter your child's first and last name and choose an avatar image (optional). Click "Save."

That's it! You're officially part of our ordering system. You can order any time you like with 2-day notice. This means if you want to order food for Thursday, the last day you can do so is Tuesday. There is no monthly deadline.

You can also:

1. Change your order any time 2 days before the order is fulfilled.
2. Pre-load your account with up to \$500.
3. Print your order calendar or download it onto your phone.

Check out our website, www.lunchwithlou.com for links to our ordering page. Please email us with any questions at info@lunchwithlou.com, or call the office at (914) 899-3326.

Warm regards,
