ABOUT OUR SUMMER CAMP

Hudson Country Montessori School has been offering a fun and safe summer camp experience for over 50 years. Our unique summer program is developed in an environment geared for learning. It is spirited and skill-oriented but non-competitive and social. Our spacious outdoor and indoor facilities are great for physical, emotional and intellectual growth in a secure, loving environment. The quality and success of our summer program is defined by our amazing team of experienced counselors, most of whom are professional educators who work in our school year program. We know our campers enjoy the best that summer has to offer. At Hudson, they learn new skills, explore new adventures, and make friends while having fun.

Meet Our CAMP DIRECTOR

Ms. Vanessa Morales

I am excited to be the Camp Director for Hudson Country Montessori Summer Camp for a seventh year. I have been working with children for over 10 years and have been part of the Hudson faculty for 9 years. At Hudson, we strive to deliver a fun, safe and educational experience for all of our campers. I look forward to extending a warm welcome to you and your children this summer.

We have an exciting summer planned with our theme, Around the World in 8 Weeks. Through our eight-week program, campers will have the opportunity to travel around the world and learn about the 7 continents while having fun and making new friends.

Come join us for an unforgettable summer. You can email us at the following address if you have questions about our summer camp: info@hudsoncountry.org. We look forward to meeting your children.

OUR PROGRAMS

TODDLER CAMPERS (FROM 18 MONTHS)

AVAILABLE HALF / FULL DAY (2-5 days/week)

Our toddler summer program follows the same schedule as the school year Montessori program. Our young campers can experience water play and additional time outdoors while maintaining their daily routines, which are essential to their development. We have rolling admissions for our toddler program.

PRE-SCHOOL CAMPERS (AGES 3-5)

AVAILABLE HALF / FULL DAY (2-5 days/week)

Our preschool campers enjoy working on Montessori lessons, swimming lessons, pool time, sports, hands-on science, cooking, music and movement, and arts and crafts weekly. Our on-site 'field trips' include petting zoos, museum programs, sports instruction, and more.

JUNIOR CAMPERS (AGES 6-8)

AVAILABLE FIVE (5) FULL DAYS

Our junior campers enjoy weekly swim instruction, sports, cooking, and performing arts. They work with experienced staff on innovative projects, hands-on experiments, and guided discovery of the natural and technological world. They participate in fun, educational and recreational off-site field trips planned throughout the summer.

SENIOR CAMPERS (AGES 9-12)

AVAILABLE FIVE (5) FULL DAYS

Our senior campers work with experienced staff on innovative projects, hands-on experiments, and group and individual projects related to the components of the natural and technological world. They participate in fun, educational and recreational off-site field trips planned throughout the summer.

COUNSELORS-IN-TRAINING (AGES 13-15)

Our counselor-in-training program (CIT) is designed to challenge teens to grow as leaders within their camp community. CITs participate in activities that build their unique leadership skills (team building, positive role modeling, and problem-solving). CITs will be coached through different skills while having the opportunity to earn valuable volunteer hours. Candidates apply and participate in an interview process. Applications are available at the main office. A minimum of 2 weeks of registration is required.
