Dear Parents:

As you know, Hudson Country Montessori School is voluntarily registered with the New York State Education Department. As part of that registration, we need to provide the State Education Department with certain information, including information that pertains to your child's last dental check-up. Please take a moment to complete the bottom section of this form and **return it to my attention by September 19, 2022**. The information provided will be kept in your child's confidential file. If you have any questions or concerns, please feel free to contact me at 914-636-6202.

Thank you for your prompt attention to this request.

Sincerely,
